**Renew and Rebuild—Archdiocesan Capital Campaign**

Every parish in the Archdiocese will be engage in a capital campaign called Renew and Rebuild. The campaign at Sacred Heart is in the first stages and will replace this year's Cardinal's Campaign. 74% of the monies raised through the five-year campaign will remain here at the Heart to upgrade our physical plant. The improvements include:

- Make the church hall handicap accessible with a chairlift
- Add a handicap accessible bathroom
- Refurbish the hall with a new ceiling, lights, floor and kitchen
- Replace the 100 year-old heating unit with an energy-efficient, dual-functioning heating and air-conditioning system
- Create a sizable day-chapel that would seat 50 people utilizing the current sacristy and altar servers' room, move the sacristy to the present chapel. This chapel would reduce the expense of heating and air-conditioning the church for weekday Masses and small funerals.

More information will be forthcoming  
 as we proceed through the process.

**K-9 Training**

The entire Sacred Heart Community - grade school, high school, and parish - are grateful for the constant sacrifice and protection that members of local law enforcement make on a daily basis. The Yonkers Police Department, in particular, under the guidance of Commissioner Charles Gardner (a Sacred Heart High School alumnus) has been a constant support of our community.

Members of various Police Departments in Westchester County have asked and been granted permission to use our shared buildings for the training of the new K-9 units. This training will take place on Tuesday, February 21st when there are no students, faculty or staff present in the school building.

We just wanted you all to be aware that the police presence on the grounds that day are solely for the purpose of training and not in response to an actual emergency.]
