Altar Cloths

In anticipation of the 125th celebration on September 25th, we will refrain from putting the altar cloths on the altars. We will decorate the church with flowers and the proper cloths for the Anniversary Weekend Celebrations .

A Grateful Thanks to all involved with the Renovations

The Renovation Committee, Belle Kielb, Jim Buckley, Lori Maloney, Br. Roger Deguire and myself, who met with several contractors throughout the process and made the final decisions on the renovations

The **Contractors** who worked diligently on various projects:

The **Keck Group** who refinished the pews.

Gerry Bussanich Terrazzo Co. who arranged for the cleaning of the tile in the Sanctuary and buffing of all the marble altars.

Paul Rafferty and his crew for the rebuilt stairs to the Sanctuary and arranging for the repairs to the Sanctuary tile floor.

Vinny Dempsey of Prostar who replaced the carpeting in the nave of the church.

Makar Electric for the necessary wiring for the Shrine of the Sacred Heart.

The **Volunteers** who contributed in so many different ways:

Ben Glasser and his accomplices **John Fabricatore** and **Philip "JR" Spinella** who designed and built the Shrine of the Sacred Heart.

Jim Lavelle who installed all the plaques and pew numbers.

Carol Pinto who altered the drapes for the confessionals.

Pedro vazPocas, Manny Rosario and **Leon Tovar** who "readied" the cafeteria for church, made preparations for the contractors and installed all the lighting.

Barbara Arnone and **Deanne May** who went above and beyond getting the church ready for our reopening.

Thank you to all for taking the time on this extraordinary project!

Shrine of the Sacred Heart

In preparation for the celebration of the 125th anniversary of the founding of Sacred Heart Parish, a Shrine of the Sacred Heart was created. Ben Glasser created the Shrine in the back of the church using 100 year old wood from the pews and the altar rails. This railing once separated the Sanctuary from the nave of the church. They were removed in the early 1970s.

The niche on the upper part of the Shrine was part of the high altar of the original church and dates back to 1891. Fr. Solanus Casey celebrated Mass at that altar.

The statue of the Sacred Heart was not part of the original church, but is obviously befitting of this piece of art.

We hope this addition will be meaningful to all as we celebrate our 125 years!

Donation Boxes

Please notice that there have been a few changes to the Donation Boxes.

The two boxes at the St. Anthony Shrine are now both Vigil Lights.

The box on the back wall of the church, Convent Ave. side, has been designated for the Vigil Lights for the Shrine of the Sacred Heart.

The box on the back wall, Monastery side, remains the Donation Box for the Poor of St. Vincent DePaul.

There are two boxes in the vestibule of the church. The box by the choir door, St. Anthony's Alms, goes to the Province of St. Mary to aid in their mission of helping the poor. The box by the Usher's Room, will be used for books and pamphlets for the various times we order books for parishioners.

Convent Ave Door

In an effort to preserve the new carpet, we ask everyone to use the front doors to enter the church. The Convent Ave door will not be open for entering the church. It will however be able to be used as an exit per fire safety regulations.
