### Renew and Rebuild—Archdiocesan Capital Campaign

Every parish in the Archdiocese will be engage in a capital campaign called Renew and Rebuild. The campaign at Sacred Heart is in the first stages and will replace this year's Cardinal's Campaign. 74% of the monies raised through the five-year campaign will remain here at the Heart to upgrade our physical plant.

The improvements include:

- Make the church hall handicap accessible with a chairlift
- Add a handicap accessible bathroom
- Refurbish the hall with a new ceiling, lights, floor and kitchen
- Replace the 100 year-old heating unit with an energy-efficient, dual-functioning heating and air-conditioning system
- Create a sizable day-chapel that would seat 50 people utilizing the current sacristy and altar servers' room, move the sacristy to the present chapel. This chapel would reduce the expense of heating and air-conditioning the church for weekday Masses and small funerals.

•

More information will be forthcoming  
as we proceed through the process.

What are the rocks upon which the Gospel wants us to build our lives? Is it possible that humility and a living relationship with Jesus can both ground and lead us more deeply into God's plan for us? Utilizing prayer, quiet, conversation, and ritual, we will explore together how we might be "strong even when we are weak."
